

Est. 2007

The evening of 24th April 2007 was a night that marked both a beginning and an end. We raised our glasses to celebrate the end of 18 months of planning and building, while toasting the beginning of something that we knew was going to be truly special. That night we welcomed Katuk - the first cocktail bar on Chapel Street.

Over the years we have continued to develop our knowledge of spirits, beers, cocktails and above all else; service. Our team pushes boundaries and ventures into the experimental side of drink design all the while aiming to create an atmosphere where Katuk becomes a home away from home; but with tastier drinks.

Our green door at the bottom of the stairs is open to all, whether you're a local or from out of town. You might be seeking a place to catch up with friends on the weekend, a nightcap after dinner or a tipple to wind down after a long shift at another local venue. Whether you were passing by and thought to pop in or made us your destination for the night, come up and say hello.

Be curious. Welcome to Katuk.

## SIGNATURE COCKTAIL

### THE HAWKSBURN

Our passion for quality whisky and liqueurs is evident from the first taste. After months of patiently waiting for this very small batch tippie to come of age, Katuk is proud to present its very own hand-crafted cocktail – The Hawksburn.

Glenmorangie & Ardbeg Whisky, Dubonnet  
Aperitif, Chartreuse Jaune Liqueur and Angostura  
Bitters are matured for months in oak before  
being hand bottled and sealed with wax.

A liberation for discerning drinkers.
